Re: **Rancho De La Osa Liquor License Application**

At the Board of Supervisors meeting today, a question arose regarding whether the De La Osa Bar Company LLC liquor license application related to a facility on County property. It does not.

One of the Members of De La Osa Bar Company LLC, Mr. Jaye Wells, rents property from the County adjacent to the Rillito Racetrack. Mr. Wells listed his rental address of 1090 E. River Road in Section 5 of the license application, which requires identification of any individual who owns a 10 percent or greater beneficial interest in the applicant organization.

The De La Osa property is private property.
