**QUESTION NO. 1**

Shall Amphitheater Unified School District No. 10 of Pima County, Arizona, be allowed to issue and sell general obligation bonds in the principal amount of not to exceed \$180,000,000 to provide money for the following purposes:

- Constructing school buildings;
- Renovating school buildings;
- Purchasing pupil transportation vehicles;
- Acquiring by purchase or lease school lots;
- Improving school grounds, including adjacent ways thereto;
- Liquidating indebtedness incurred for the purposes set forth herein;
- Providing all utilities and other capital items necessary for the construction and renovation of school buildings and for improving school grounds;
- Paying all architectural, design, engineering, project and construction management and other costs incurred in connection with the purposes set forth above; and
- Paying all legal, financial and other costs in connection with issuance of the bonds.

The bonds will bear interest at rates not exceeding twelve percent (12%) per year. Interest may be evidenced by separate certificates and will be paid on January 1 and July 1 each year until the bonds mature. The bonds shall mature over a period of not to exceed twenty (20) years from the date of their issuance. The bonds, and any bonds issued to refund the District's bonds, may be sold at prices that include premiums not greater than permitted by law. Bonds will be in the denominations of \$5,000 each or in multiples of \$5,000 and will mature on the first day of July in years determined by the District's governing board. OF PIMA COUNTY, STATE OF ARIZONA  
SPECIAL ELECTION  
NOVEMBER 6, 2007**

**KINDERGARTEN THROUGH THIRD GRADE IMPROVEMENT PROGRAMS  
5% MAINTENANCE AND OPERATION BUDGET OVERRIDE**

**QUESTION NO. 1**

Shall the Governing Board of Sahuarita Unified School District No. 30 of Pima County, Arizona, adopt a General Maintenance and Operation Budget which exceeds the revenue control limit specified by statute by five percent (5%) for fiscal year 2008-2009 and for six (6) subsequent years as described below, in order to fund special improvement programs for students in kindergarten through third grade?

The amount of the proposed increase of the proposed budget over the alternate budget for fiscal year 2008-2009 is estimated to be \$1,023,805. In fiscal years 2008-2009 through 2012-2013, the amount of the proposed increase will be five percent (5%) of the District's revenue control limit in each of such years, as provided in Section 15-481(Q) of the Arizona Revised Statutes. In fiscal years 2013-2014 and 2014-2015 the amount of the proposed increase will be three and one-third percent (3-1/3%) and one and two-thirds percent (1-2/3%), respectively, of the District's revenue control limit in each of such years, as provided in Section 15-481(Q) of the Arizona Revised Statutes.

“Any budget increase authorized by this election shall be entirely funded by a levy of taxes on the taxable property within this school district for the year for which adopted and for six (6) subsequent years, shall not be realized from monies furnished by the state and shall not be subject to the limitation on taxes specified in Article IX, Section 18, Constitution of Arizona. Based on an estimate of assessed valuation used for secondary property tax purposes, to fund the proposed increase in the school district's budget which will be funded by a levy of taxes upon the taxable property within this school district would require an estimated tax rate of \$0.3459 per one hundred dollars of assessed valuation used for secondary property tax purposes and is in addition to the school district's tax rate that will be levied to fund the school district's revenue control limit allowed by law.” Arizona Revised Statutes § 15-481, Subsection I.

**CAPITAL OUTLAY BUDGET OVERRIDE**

**QUESTION 2**

Shall the Governing Board of Sahuarita Unified School District No. 30 of Pima County, Arizona, adopt a budget that exceeds the capital outlay revenue limit specified by statute in the amount of \$1,000,000 dollars per fiscal year for fiscal year 2008-2009 and the six (6) fiscal years thereafter? The increase in the proposed budget over the alternate budget is the amount set forth above.

“Any budget increase authorized by this election shall be entirely funded by a levy of taxes upon the taxable property within this school district for the year in which adopted and for six (6) subsequent years, shall not be realized from monies furnished by the state and shall not be subject to the limitation on taxes specified in Article IX, Section 18, Constitution of Arizona. Based on an estimate of assessed valuation used for secondary property tax purposes, to fund the proposed increase in the school district’s budget would require an estimated tax rate of \$0.3379 per one hundred dollars of assessed valuation used for secondary property tax purposes and is in addition to the school district’s tax rate which will be levied to fund the school district’s capital outlay revenue limit allowed by law.” Arizona Revised Statutes 15-481 subsection L.

The capital improvements that are proposed to be funded through this override election are to exceed the State standards and are in addition to monies provided by the State.

Sahuarita Unified School District is proposing to increase its budget by \$1,000,000 to fund capital improvements over and above those funded by the State. Under the Students FIRST capital funding system, Sahuarita Unified School District is entitled to State monies for building renewal, new construction and renovation of school buildings in accordance with State law.

**QUESTION 3**

Shall Sahuarita Unified School District No. 30 of Pima County, Arizona, be allowed to issue and sell general obligation bonds in the principal amount of not to exceed \$14,700,000 to provide money for the following purposes:

- Constructing school buildings;

- Paying all architectural, design, engineering, project and construction management and other costs incurred in connection with the purposes set forth above; and

The bonds will bear interest at rates not exceeding twelve percent (12%) per year. Interest may be evidenced by separate certificates and will be paid on January 1 and July 1 each year until the bonds mature. The bonds shall mature over a period of not to exceed fifteen (15) years from the date of their issuance. The bonds, and any bonds issued to refund the District's bonds, may be sold at prices that include premiums not greater than permitted by law. Bonds will be in the denominations of \$5,000 each or in multiples of \$5,000 and will mature on the first day of July in years determined by the District's governing board. The issuance of these bonds will result in an annual levy of property taxes sufficient to pay the debt on the bonds.

The capital improvements that are proposed to be funded through this bond issuance are to exceed the state standards and are in addition to monies provided by the state. Sahuarita Unified School District is proposing to issue Class B general obligation bonds totaling \$14,700,000 to fund capital improvements over and above those funded by the state. **ALTAR VALLEY ELEMENTARY SCHOOL DISTRICT #51  
OF PIMA COUNTY, STATE OF ARIZONA  
SPECIAL ELECTION ON NOVEMBER 6, 2007**

**QUESTION NO. 1**

Shall the governing board of Altar Valley Elementary School District No. 51 of Pima County, Arizona, adopt a general maintenance and operations budget for 2008-2009 which exceeds the revenue control limit specified by statute in the amount of ten percent (10%) approximately \$431,254?

The total 2008-2009 Override Proposed Budget will exceed the 2008-2009 Alternate Proposed Budget in the amount of approximately \$226,027. The proposed increase in future years will be based on a percentage of the school district's revenue control limit as provided in Arizona Revised Statutes (A.R.S.) §15-481, Subsection P.

“Any budget increase authorized by this election shall be entirely funded by a levy of taxes upon the taxable property within this school district for the year for which adopted and for six (6) subsequent years, shall not be realized from monies furnished by the state and shall not be subject to the limitation on taxes specified in Article IX, §18, Constitution of Arizona. Based on an estimate of assessed valuation used for secondary property tax purposes, to fund the proposed increase in the school district's budget would require an estimated tax rate of \$0.7351 dollar per one hundred dollars of assessed valuation used for secondary property tax purposes and is in addition to the school district's tax rate which will be levied to fund the school district's revenue control limit allowed by law.” A.R.S. § 15-481, subsection E.
