Consolidated Elections
Marana U.S.D. #6 Special Election
May 15, 2007

QUESTION 1

The total 2007-2008 Override Proposed Budget will exceed the 2007-2008 Alternate Proposed Budget in the amount of approximately \$6,304,412. The proposed increase in future years will be based on a percentage of the school district's revenue control limit as provided in Arizona Revised Statutes (A.R.S.) § 15-481, Subsection P.

“Any budget increase authorized by this election shall be entirely funded by a levy of taxes upon the taxable property within this school district for the year for which adopted and for six (6) subsequent years, shall not be realized from monies furnished by the state and shall not be subject to the limitation on taxes specified in Article IX, § 18, Constitution of Arizona. Based on an estimate of assessed valuation used for secondary property tax purposes, the proposed increase in the school district's budget over that allowed by law would result in an estimated increase in the school district's tax rate of 0.8351 dollar per one hundred dollars of assessed valuation used for secondary property tax purposes and is in addition to the school district's tax rate which will be levied to fund the school district's revenue control limit allowed by law.” (A.R.S.) § 15-481, subsection E.

Shall the governing board of Marana Unified School District No. 6 of Pima County, Arizona, adopt a general maintenance and operations budget for 2007-2008 which exceeds the revenue control limit specified by statute in the amount of ten percent (10%) approximately \$6,304,412?
