

HOME LANDSCAPE DESIGN COURSES

Instructor: Tom Stephens Landscape Architect

You will learn to: determine your needs & requirements; develop a budget range; survey, inventory, & document with a Base Plan the existing site conditions; analyze the requirements, develop two or more preliminary design solutions; incorporate your preliminary solutions into a final Master Landscape Plan; & calculate the costs & develop phasing priorities. Near the end, you will share your design ideas, final plan, & estimate with the class for their comments. A \$25 materials fee will be paid to the instructor at the first class. Couples classes with one project. For additional course & workshop content information contact Tom at: tom@CommonSenseLandscaping.com. (No class Nov. 7, 26 or 28).

LANDSCAPE WORKSHOPS

Water Conservation Through Creative Landscaping - Xeriscaping" not "Zero-Scaping"!

Instructor: Tom Stephens Landscape Architect

Outdoor water use accounts for nearly 50% of water used around the average home. Do you open your water bill during the summer and say "I've got to do something about this?" Discover how to save money by reducing water usage through current "Xeriscape" practices. By learning the seven basic fundamentals of Xeriscaping, you will be able to create a beautiful yet water conserving landscape. Learn about seasonal water conservation & enhancing your environment. *Take all four of these landscape workshops for Fall 2015 for \$156 & you will save 20% (\$40). A \$20 material class fee is payable to the instructor on the first day of class. A pre-requisite for Tom's 16-hr design short course.

Class Code	Location	Dates	Time	Fee
5-765TS	NWAC-303	Sat 9/26	8:00 a.m.-Noon	\$49*

The Pleasures of Water Features - Their Design, Installation, & Maintenance

Instructor: Tom Stephens Landscape Architect

You will learn how to create & enjoy a water feature in your landscape, whether your style is a small container water garden or a dramatic series of waterfalls, streams, & ponds. Tom takes you from: choosing the best location for your water feature; creating a plan, developing drawings & specs; selecting materials & methods; selecting low-water using plant materials, underwater plants, & wildlife; & water feature & winter maintenance. *Take all four of these landscape workshops for Fall 2015 for \$156 & you will save 20% (\$40). A \$20 material class fee is payable to the instructor on the first day of class. A pre-requisite for Tom's 16-hr design short course.

Class Code	Location	Dates	Time	Fee
5-766TS	NWAC-303	Sat 10/3	8:00 a.m.-Noon	\$49*

How To Plan & Build Special Garden Features - (Construction/Hardscape Elements)

Instructor: Tom Stephens Landscape Architect

You will learn how to design & estimate a "hardscape" project; select elements, materials; & the best do-it-yourself methods, with recycled, low-maintenance, & economically efficient materials. Learn how to build for strength, durability,

usefulness, low-maintenance, & beauty. Learn how to schedule construction operations & the order of construction & planting procedures. Discover how to plan paving elements; & how to select do-it-yourself surfacing materials & methods. *Take all four of these landscape workshops for Fall 2015 for \$156 & you will save 20%. A \$20 material fee is payable to the instructor on the first day of class. A pre-requisite for Tom's 16-hr design short course.

Class Code	Location	Dates	Time	Fee
5-767TS	NWAC-303	Sat10/10	8:00 a.m.-Noon	\$49*

Designing With Plants in Your Landscape - The Right Plant for the Right Place

Instructor: Tom Stephens Landscape Architect

Selecting the right plant for the right location can give your landscape design that professional look. Learn how to select plants with the right texture, color, growth structure, & growing requirements. Learn how to group plants for a distinctive & finished appearance. Learn how to identify plants by their unique features & characteristics & how to use botanical & common names. You will receive, review, & learn to use several plant lists for your region. *Take all four of these landscape workshops for Fall 2015 for \$156 & you will save 20%. A \$20 material fee is payable to the instructor on the first day of class. A pre-requisite for Tom's 16-hr design short course.
