

**AUTHORIZED USE OF PIMA COUNTY PROCUREMENT AGREEMENTS  
BY OTHER PUBLIC AGENCIES  
VIA  
COOPERATIVE PROCUREMENT AGREEMENTS  
Revision date: March 14, 2017**

Cooperative Procurements are authorized by Pima County Procurement Code 11.24.010. The County has entered into cooperative procurement agreements that enable other Public Agencies to utilize procurement agreements developed by the County.

The County's Contractor may be contacted by participating agencies and requested to provide services and products pursuant to the pricing, terms and conditions defined by the County contract. Minor adjustments are allowed to accommodate additional cost factors not present in the County agreement and particular Public Agency code requirements.

Any such usage shall be in accordance with State, County and other Public Agency procurement rules, regulations and requirements and shall be transacted by contract or purchase order between the requesting party and Contractor. The County assumes no responsibility for payment, performance or any liability or obligation associated with such use.

Although the County may, at its sole discretion, facilitate the resolution of issues regarding the use of a County procurement solicitation to develop independent agreements, and the subsequent use of same, by other authorized Public Agencies, the County assumes no responsibility for payment, performance or any other responsibility or liability regarding agreements between the Contractor and other Agencies.

Questions regarding a particular County Solicitation, Contract or Purchase Order may be directed to the Buyer/Contracts and Commodity Officer (CCO). Buyer Commodity Assignments, active solicitations and recommendation for awards, and procurements resulting in a Contract document (e-Contracts) are posted at the Procurement Department website: <http://webcms.pima.gov/cms/One.aspx?portalId=169&pageId=18377>  
Note: Procurements that result in a Purchase order are not posted at the website. The Procurement Department Main Phone Number is: 520-724-8161.
