Graffiti hurts all of us: our homes, our businesses, our schools, the people who see it, the people who do it.

Don't do it. Discourage others from doing it.

See graffiti? Pima County can help.

Report it to Pima County's Taking Action Against Graffiti (TAAG) program. Call 520-792-8224 (TAAG) or email PCTAAG@pima.gov.

Or use the free "MYPIMACOUNTY" smart phone app. Get the app or more information at www.pima.gov/graffiti.
