NOTICE
PUBLIC MEETING OF THE
PIMA COUNTY ANIMAL CARE ADVISORY COMMITTEE

April 16, 2015 – 5:30 p.m.
Pima Animal Care Center
4000 N Silverbell Road
Admin Building
(520) 724-7729

Functions of the Committee

1. Serve in an advisory capacity to the Board, and to the Manager of the Pima Animal Care Center; and
2. Review and evaluate the operations of the Center to make recommendations in writing to the Board for the formulation of guidelines to assure that:
   A. The Center's operations are conducted in the best interest of the public health and safety; and
   B. The Center keeps pace with the most modern practices and procedures of animal care and welfare; and
3. Review complaints from the public concerning policies of the Center and make recommendations for resolution to the proper authority.

AGENDA				
1.	Call to Order • Roll Call • Establishment of Quorum and Pledge of Allegiance			
2.	Review and Adoption of Minutes: • Adoption of March 19, 2015 meeting minutes			
3.	Animal Welfare and Dangerous Animal Cases for the Month of March and Recent Holds Snapshot			
	Welfare		Dangerous Dogs	
	A15-167383	A15-167168	A15-166123	A15-166992
	A15-167205	A15-167988	A15-167249	A15-167011
	A15-168104	A14-158672	A15-168691	A15-176436
	A15-164678	A15-168837		A15-167648
	A15-168197	A15-167115		
4.	Call to the Audience			
5.	Management Report • Board of Supervisors Report • Letter Regarding Castaway Treasures Animal Sanctuary sent to Governor's Office • Cities and Towns Budget Discussion			
6.	Old Business • County Administration response to the Committee's request to add additional field officer and shelter staff; and Jurisdiction IGA Discussion and County Obligation for Animal Care Services. (Neuman/Janes) • Volunteer Policy and Partnership Agreement (PACC Management Team) • Housing Animals at the Ajo Animal Care Facility (Neuman/PACC Management Team) • Ways to Shorten Duration of Hold Time for Confiscation Cases (Neuman/PACC Management Team) • Tie-out Outreach Campaign (Marshall/Emptage)			
7.	New Business			
8.	Donations: A total of 1,533 individuals gave $37,687.80 in donations during the month of March.			
9.	Complaints and Commendations: There were two complaints and one commendation received by staff during March.			
10.	Call to the Audience			
11.	Announcements, Schedules and Proposed Agenda Items			
12.	Next Meeting – May 21, 2015			
13.	Adjournment			

Copies of this agenda are available upon request at the Pima County Health Department, 3950 S. Country Club Road, by calling 243-7729 or at www.pima.gov/animalcare. The Committee may discuss and take action on any item on the agenda. At the conclusion of an open call to the public Committee members may only respond to criticism made; ask staff to review the matter raised; or ask to include the matter on a future agenda.

Should you require ADA accommodations, please contact the Pima County Health Department at 724-7729 five (5) days prior to the meeting.

Pima County Animal Care Advisory Committee
Minutes
March 19, 2015
4000 N. Silverbell Road
Tucson, Arizona 85745

Draft

1. Call to Order

Mr. Neuman called the meeting to order at 5:30 pm

- Attendance

Present:
Nancy Emptage, Vice-Chair, Animal Welfare Coalition
Pat Hubbard, Humane Society of Southern Arizona
Pat Jacobs, Tucson Kennel Club
Sophia Kaluzniacki, DVM, SPCA of AZ, Inc
Helen Mendelsohn, Disabled Community
Jack Neuman, Chair, PACC Volunteers
Erin O'Donnell, DVM, Southern AZ Veterinary Medical Association
Jane Schwerin, People for Animals in the Prevention of Cruelty and Neglect
Gail Smith, MD, Board of Health
Kim Janes, Pima Animal Care Center (PACC), Ex-Offico

Absent:
Derek Marshall, Public Education
Angela Spencer, City of Tucson

- Pledge of Allegiance

2. Adoption of the Minutes

- Adoption of the January 15, 2015 Meeting Minutes

The motion was made and seconded (Hubbard/Mendelsohn) that the January 15, 2015 meeting minutes be adopted as written. The motion carried (9-0).

Dr. Kaluzniacki pointed out the minutes incorrectly refer to her being with the "ASPCA" instead of the "SPCA." That will be corrected.

- Adoption of the February 19, 2015 Meeting Minutes

The motion was made and seconded (Hubbard/Smith) that the February 19, 2015 meeting minutes be adopted as written. The motion carried (9-0).

3. Animal Welfare and Dangerous Animal Cases for the Month of February and Recent Holds Snapshot

Ms. Emptage referred to welfare case 4 wherein the owner had his dog taken away and was later observed walking through the adoption kennels. Ms. Emptage asked about how the "do not adopt list" works. PACC Live Release Manager Justin Gallick said any section can place someone on the list, but it requires a memo providing the reasoning or special requirements to be able to adopt. The do not adopt status is connected to a name, not an address. Dr. Smith referred to welfare case 9

wherein the Field Officer reported the owner said that rather than taking his dog to PACC he would take it to Mexico to be put down. Dr. Smith asked why the officer didn't just take the dog after such a comment. Supervisor Tenkate discussed it was a judgment call by an officer with about a month's experience on her own. In response to a question, Supervisor Tenkate said Field Officers have about eight to ten weeks of training in the field plus ride-alongs and PowerPoint training. There is a pick-up fee, but it can be waived and there was discussion on how it is waived. PACC Chief of Operations Kristin Barney added that staff would look at that process for possible improvement. There was a request for follow-up on this case and that it be added to next month's agenda.

4. Call to the Audience

There were no speakers from the audience.

5. Management Report

Mr. Janes explained the first bullet under item 7 was amended on the amended agenda and the Committee was provided updated copies for discussion when that item comes up for consideration. He also pointed out the Committee was provided with a copy of a memorandum from Ms. Barney to Jan Lesher, Deputy County Administrator for Medical and Health Services, regarding items that were of concern to the Committee in the past. He added that the February Operational report shows an 83 percent year-to-date live release rate for PACC.

6. Old Business

- County Administration response to the committee's request to add additional field officers and shelter staff; and Jurisdiction IGA Discussion and County Obligation for Animal Care Services

Mr. Neuman referred to the County Administrator's response to the Committee's request for additional Field Officers included the need for buy-in from the municipalities, then referred to the March 11, 2015 letter to Interim Tucson City Manager Martha Durkin and asked if there has been any response from the letters to the jurisdictions. Mr. Janes said two entities responded, Sahuarita and Marana, and they requested the topic be discussed at the next jurisdictional discussion with the County Administrator on April 14.

As an example of why extra officers are needed, Ms. Emptage spoke about a welfare case from November 2014 in which Tucson Police called PACC reference a dog that was bleeding from its feet. The animal reportedly also had cancer. The premises were inspected in November, but staff was unable to do a recheck until late January. The dog was turned in to PACC on February 23, 2015 to prevent there being a citation for failure to provide veterinary care. The owner wants the dog back, but has no money for veterinary care. There was a history of neglect going back to 2011. Ms. Emptage asserted the dog went a long time without veterinary care and should have been impounded back in November. Supervisor Tenkate said the case was reopened for the Field Officer to issue citations. Ms. Emptage recommended the court not allow the owner in this case to own animals.

- PACC Protocols for Treatment of Tick Fever and Valley Fever

Item was withdrawn from the agenda.

DRAFT

- Volunteer Policy and Partnership Agreement

Ms. Barney said there is a volunteer policy that all volunteers sign and the policy is in revision. Staff has taken suggestions from a few meetings ago into consideration in revising the policy more and wants to present the updated policy at the next Committee meeting.

- Castaway Treasures Animal Sanctuary

Ms. Schwerin said she drove by Castaway Treasures and could see the horses. She said several horses were emaciated and one has to stand on three legs because it cannot stand on its left front leg. She shared a brief video, on a mobile device, showing the horse extending out the leg. Dr. Smith asked about any recent actions related to Castaway Treasures and Mr. Janes distributed a letter from Dr. García, Health Department Director, to the Board of Supervisors. Ms. Schwerin called for PACC involvement, particularly regarding the aforementioned horse, and suggested the horse be moved to Jessica Gray's Wild Hearts Rescue Ranch were veterinarians are available to assess and assist the animal. Dr. Kaluzniacki agreed the horse is in pain, but suggested a neutral assessment venue since Wild Hearts and Castaway Treasures seem to be in conflict. In response to a question, Mr. Janes said livestock is a state jurisdiction issue, adding that staffing does not allow for PACC to completely address pet issues, but said if given a copy of the video he would send it to the State Agriculture Department. He went on to point out the Committee could write a letter to entities such as the State Department of Agriculture and the Governor if they so desired. Mr. Janes also said he would send a copy of the video and the meeting recording to the Pima County Sheriff's Department.

The motion was made and seconded (Smith/Kaluzniacki) that the Committee write and send a letter and the video to the State Department of Agriculture and the Governor. There was discussion on what course of action should be taken and how long different actions might take to get results. After discussion the motion carried (8-1, Mr. Jacobs opposed).

Ms. Schwerin asked about actions taken since the last meeting; and Supervisor Tenkate said a 14 year old dog was euthanized.

A motion was made and seconded (Jacobs/Schwerin) that PACC enforcement staff contact the Sheriff's Department to ask if the Sheriff's Department would accompany PACC staff and a neutral volunteer veterinarian to specifically see the aforementioned horse tomorrow or as soon as possible. Mr. Janes interjected that the horse is under veterinary care. The motion carried (5-0, with four abstaining from the vote).

- Ways to Shorten Duration of Hold Time for Confiscation Cases

Mr. Neuman asked if someone from legal could come explain why these cases are handled as they are. Mr. Janes and Ms. Barney provided input that this concern is still being researched and discussed with the attorneys. Issue is to remain as an Old Business agenda item.

7. <u>New Business</u>

- Proposed Ordinance to Amend Pima County Code 6.04.060 – Pound Fees to add a surrender for pets from non-contracted jurisdictions and increase dog licensing fees

DRAFT

Mr. Janes said the ordinance change is intended to do two things. First in relation to discussions with local jurisdictions, should there come a time when some jurisdictions do not contract with PACC, how does PACC handle animals brought to PACC from other jurisdictions? Mr. Janes cited that the Humane Society of Southern Arizona has a fee structure for bringing in animals; and said the ordinance would establish a fee structure to help offset costs. He added that this is how Maricopa County Animal Care deals with animals from jurisdictions without an agreement with them. The second change is a one dollar per year increase in the licensing fee for five years, which, for example, would change a $15.00 license in 2015 to $20.00 in 2020. The ordinance would only apply for unincorporated Pima County. He said the fee increase equates to half a million dollars in revenue per 100,000 licenses.

Discussion ensued. There was concern that fees would keep people from bringing in animals and that animals will suffer as a result. Ms. Emptage contended that it would be better for a litter of puppies to go through PACC and be altered than to be homed unaltered. Mr. Neuman asserted that numerous volunteers devote countless hours and donors give thousands of dollars every month because of, in support of, PACC's current lifesaving protocols, and predicted the change of adding a drop-off fee would drastically cut those resources. In response to a question, Mr. Janes said PACC has no agreement with the Tohono O'odham Nation (TO) and provides no services except PACC will take in animals directly from Rangers from neighboring districts. Ms. Barney said PACC gets about 500 TO animals a year and they are some of the sickest. Mr. Jacobs felt the ordinance language does not specify who actually pays the fee.

Mr. Janes requested the Committee make recommendation(s) on the proposed ordinance. The motion was made and seconded (Kaluzniacki/Smith) that the Committee supports the licensing fee increase as presented, but does not support a drop-off fee. The motion carried (8-0, with Ms. Schwerin abstaining).

Discussion turned to the codes low income discount fee for an unaltered dog. The motion was made and seconded (Smith/Hubbard) that there be no low income discount licensing fee for unaltered dogs (remove it from the code). Mr. Jacobs said that when the unaltered fee was raised, it was said to be a motivation for owners to get their dogs altered, but he contended that the percentage of unaltered dogs now compared to prior to the fee change is not appreciably different. Ms. Hubbard said that when the unaltered fee jumped up the Humane Society experienced a rush of owners getting their dogs altered. Mr. Jacobs felt that was the short term impact, but over time the percentage of unaltered dogs hasn't changed. The motion carried (8-1, with Mr. Jacobs opposed).

- Proposed Ordinance to Amend Pima County Code 6.04.100 – Advisory Committee… to Modify Membership Composition

Mr. Janes requested the Committee make a recommendation on this proposed ordinance. The ordinance would, in the code, eliminate the Animal Defense League of Arizona (ADLA) position from the Committee, as previously recommended by the Committee, and swap out the Foundation for Animals in Risk (FAIR) Committee seat for a seat filled by Pima Paws for Life. FAIR merged with Pima Paws for Life. Ms. Tamara Barrick was the FAIR representative on the Committee, but can no longer serve as such, since FAIR no longer exists. Pima Paws for Life has provided a letter (included

in the Committee's packet) expressing their desire to have the FAIR seat replaced with one filled from Pima Paws for Life, to be filled by Ms. Barrick.

The motion was made and seconded (Hubbard/Smith) to support the proposed ordinance. The motion carried (9-0).

- Housing Animals at the Ajo Animal Care Facility

Mr. Neuman said that approximately a year ago some dogs were taken from PACC (Tucson) to the Ajo facility with the reasoning that small dogs get adopted sooner in Ajo. However, a couple of the moved dogs ended up staying in the Ajo facility for a long time and eventually volunteers brought them back to PACC (Tucson). Mr. Neuman said dogs are again being sent to Ajo and he asked why. Ms. Barney discussed PACC is trying to balance how to provide service to Ajo. Mr. Neuman passed out a list of Ajo facility animals; referred to a dog that stayed in Ajo for months; and contended that the dog would have been adopted out much sooner in Tucson. He also asserted that in the Ajo facility the dogs get less socialization and said the facility is open to the public only three days a week, two hours per day. Discussion included that in November two dogs were sent to Ajo and one was adopted fairly quickly, but another took months. Mr. Gallick said that more recently the trend has been to transfer dogs from Ajo to Tucson and he suggested establishing a time limit on how long a dog would be kept at the Ajo facility. Mr. Neuman also expressed concern about veterinarian care for the Ajo facility dogs. Mr. Gallick indicated veterinary care at the Ajo facility is provided pro bono through relationships with volunteer veterinarians, but concurred that the pets don't get the same level of veterinary care they would receive at the Tucson facility. Dr. Smith suggested Ajo adoption events in the community versus just leaving dogs at the Ajo facility.

- Committee's Semiannual Report to Board of Supervisors

Mr. Neuman provided a draft report and asked if the Committee wanted to all sign such a report or if they wanted it just under his signature. There was general agreement to have it just with his signature.

- Humane Society's Zip Code 85705 Dog Spay/Neuter and Vaccination Initiative

Ms. Hubbard postponed this item to the next meeting.

8. Donations: A total of 1,271 individuals gave $25,267.26 in donations during the month of February.

   There was no discussion on this item.

9. Complaints and Commendations: There were two complaints and no commendations received by staff during February.

   There was no discussion on this item.

10. Call to the Audience

    There were no speakers from the audience.

DRAFT

11. Announcements, Schedules and Proposed Agenda Items

    Mr. Janes pointed out the Adopt Love Adopt Local event sponsored by the Pima Alliance for Animal Welfare will be on April 11, 9:00 to 4:00.

    Ms. Hubbard said the Humane Society will be providing rattlesnake avoidance training beginning March 24th and continuing through the summer.

12. Next Meeting – April 16, 2015

    There was no discussion on this item.

13. Adjournment

    The meeting adjourned at 8:00 pm

MEMORANDUM

TO: **Kim Janes, Chief of External Operations**

FROM: **Jose Chavez, Enforcement Operations Manager**

DATE: **4-2-15**

SUBJECT: **Welfare report for March 2015**

---

1. A15167383 No animals were impounded. Staff reviewed animal welfare requirements and laws with the owner and cited at the scene. This complaint is closed.

2. A15-167205 Three animals were surrendered by the owner. Staff reviewed animal welfare requirements and laws with the owner and cited at the scene. The animals were placed for adoption and were adopted. This complaint is closed.

3. A15-168104 No animals were impounded. Staff reviewed the animal welfare requirements and laws with the owner and cited at the scene. This complaint is closed.

4. A15-164678 One ill emaciated animal was surrendered to PACC for euthanasia. After PACC veterinarian's examinations and receiving the necropsy report a welfare case was opened. Staff reviewed welfare requirements and laws with the owner and cited the owner at their residence. This complaint is closed.

5. A15-168197 No animal was impounded. Staff reviewed animal welfare requirements and laws with the owner and cited at the scene. This complaint is closed.

6. A15-167168 Two animals were surrendered to PACC. Staff reviewed animal welfare requirements and laws with the owner and cited at the scene. Both animals were adopted. This complaint is closed.

7. A15-167988 No animals were impounded. Staff reviewed animal welfare requirements and laws with the owner and cited at the scene. This complaint is closed.

8. A14-168672 No animals were impounded. Staff reviewed animal welfare requirements and laws with the owner and cited at the scene. This complaint is closed.

9. A15-168837 Three animals were impounded. Staff reviewed animal welfare requirements and laws with the owner and cited at PACC. Two animals were relinquished to PACC and one was redeemed. This complaint is closed.

10. A15-167115 No animals were impounded. Staff reviewed animal welfare requirements and laws with the owner and cited at the scene. This complaint is closed.

INVESTIGATION REPORT

Activity Number: A15-167383

ACO Name & Badge: C. Young 1908

On March 08, 2015 at approximately 11:25 hours I arrived at the Iris Dewhirst Trail Head and met with Deputy Sheriff Noon, badge #7977, (Case #150308073) in reference to a dog locked inside of a car at the trail head parking area.

Deputy Noon was parked behind a silver colored Toyota Camry. Inside the car was a black and gray colored Shih Tzu that appeared to be in good health and not in distress, however, there was no water available for the dog. Deputy Noon said that he was informed by witnesses that the dog had been locked inside the car since 08:00 hours this morning.

The windows of the car were down about two inches so I found a stick and attempted to unlock the door using the stick to press the unlock button on the drivers side door but was unsuccessful. While speaking with Deputy Noon on how to proceed with the situation, the dog owner arrived from his hike.

Deputy Noon spoke with the owner, , who admitted to leaving the dog inside the vehicle since 08:00 this morning. Mr said he tried to give the dog water before he went on his hike but the dog would not drink. I asked if the dog was licensed and he said yes, but with the previous owner, and he had not purchased a license for the dog since he has owned it.

Mr presented his Arizona Drivers License for identification and I issued citations to him for no license, no rabies vaccination and neglect - no water. I then educated him on the laws concerning animals left inside of a vehicle, having access to water, and license requirements. Mr signed the citation and accepted his copy. I then advised him of his court date and time.

Officer's Signature: C. Young **Date:** 3/8/15

INVESTIGATION REPORT

Activity Number:

ACO name & Badge:

On March 5, 2015 at 10:57AM I called Pima Animal Care Center (PACC) dispatch to report a dog on a tieout that he was concerned would hang itself because it jumped over its fence. Mr gave an incorrect address for the dogs residence and the responding Officer was unable to locate it. He called back at 1:27PM and advised that the dog was at

On March 5, 2015 at 2:27PM I, Officer Rademaker 2019, went to and met complainant I who showed me a house, Pl, from his back fence that he said had a dog on a tieout that jumped over the fence and back and he was concerned the dog would hang itself. He said it was a brown and white pitbull and that a smaller dog had jumped the fence as well.

I went to Pl and observed 3 dogs in the fence back yard. There was an adult male tan and white pitbull, a young white and tan pitbull, both at large in the yard/ There was an adult tan and white pitbull with cropped ears on a cable tieout that was attached to the fence, was about 25 feet long and was tangled up with some lumber and fabric. There was no water available to the dog on the tieout. I heard another dog in the house and was able to see a tan and white young pitbull dog confined in a room. I determined that the dog on the tieout was in distress and asked PACC dispatch to have TPD respond as I would have to cut a gate lock to access the yard. PACC Officer Downing 1923 was sent to assist me.

WC 2

Prior to TPD arriving the owner returned home and I cancelled TPD. The owner is , who is a corrections officer for PCSO. He said he had had the 2 younger dogs, Doe A512745 and Cinnabon A512747, for only 3 weeks. The dog on the tieout is Pachino A512743 has been his for 3 months and was tied out because he escapes. The other adult pitbull is Capone A512744, 4 years old and owned since a puppy. None of the dogs is currently licensed nor vaccinated. I explained the neglect laws about tieouts and water as well as the license and vaccination laws to Mr . I issued him citations for those violations for the adult dogs, explained court and compliance and he said he understood. He asked to surrender the 2 younger dogs and the adult Pachino and signed the surrender form and I impounded the dogs. Supervisor Konst 2002 agreed to waive pickup fees.

INVESTIGATION REPORT

Activity Number: A15-168104

ACO name & Badge: C. Meek 2015

On 03/18/15 at 0909 hours I Officer Meek badge number 2015 responded to Delaware in reference to a neglect tie out complaint.

I arrived at the address and found the front two gates pad locked and was unable to get a complete view of the yard as the residence blocked the back yard. I was unable to make contact with anyone inside the residence. I then made contact with the dispatch department and asked if there was any further information provided by the complainant as to the location of the dog.

The dispatch department advised me that the neighbor residing at . Ontario would allow me access to his yard, which bordered the Delaware residence. I made my way to the back of the complainant's yard and was able to locate the dog listed in the complaint.

I observed a small Pit Bull mix puppy approximately six months old. I saw that the dog was tied using a chain around a telephone pole. The dog appeared to have wrapped itself around the pole and had a restricted amount of space to move around. I also observed there to be no water available for the dog. I was able to photograph the dog from my vantage point. I left the complainant's residence and returned to the Delaware address.

Once back at the address I made contact with the dispatch department and asked for assistance, as I would have to cut a lock on the property. While waiting for assistance I was able to make contact with a minor resident.

I asked if there was an adult at home and he advised me his cousin, the dog owner was home but he was sleeping. I asked if he could wake him up so that I could meet with him. I then was able to make contact with a Mr. . I advised Mr. of the complaint and the dog in the back yard must be removed from the tie out. Mr. complied and removed the dog from the tie and placed him a wire crate. Mr. advised me that he is trying to fix his front fencing so the dog does not escape. Mr. advised me that he would pick up some chicken wire today to fix the gate.

WC 3

I advised Mr. that I would be issuing him citations for the dog not having water and being tied out. Mr. stated he understood and provided me with his Arizona identification card. I issued Mr. the appropriate citations and advised him that with the citations he would need to appear in court. I provided Mr. with his court date, which he stated he understood his need to appear, and signed his copy.

INVESTIGATION REPORT

Activity Number: A15-164678

ACO Name & Badge: T. Foster #2042

01/27/15 12:22 Jr brought a fawn and white colored, pit bull type dog known as Blue to Pima Animal Care Center (PACC). Mr. Jr was requesting that Blue be humanely euthanized because he was extremely emaciated and was lateral. Mr. Melgoza told the staff in the kennels department that he had taken Blue to Southern Arizona Veterinary Specialty & Emergency Center on December 1st of 2014 but was unable to afford the recommended tests and was sent home with antacids for Blue by the attending veterinarian. The owner also reported that the dog known as Blue still would not eat even after being treated with the antacids.

01/27/15 Supervisor N. Konst #2002 was called to the office of Dr. Wilcox DVM, a veterinarian for Pima County, to look at an extremely emaciated dog brought to Pima Animal Care Center for humane euthanasia. Supervisor Konst performed a search of the PACC records database and discovered that the dog's owner resides at and not as originally reported. Additionally he found that the owner had two identification numbers within the database and changed the ID number to the correct one.

At Supervisor Konst's direction the dog known as Blue was photographed and he decided that Dr. B. Lilley DVM would oversee the dog's care. Supervisor Konst then created a welfare call to investigate Blue's history and to assess the health of any other animals residing at the owner's address.

01/28/15 Dr. Lilley DVM determined that it was inhumane to try to maintain the dog known as Blue due to his symptoms and prolonged history of illness. As a result Blue was humanely euthanized and his remains were sent out for a necropsy in an effort to obtain a complete diagnosis of his condition.

02/19/15 Dr. B. Lilley DVM received the Final Results Report (aka Necropsy Report) Case #15-513 from the University of Arizona's Veterinary Diagnostic Laboratory. The report stated that the diagnosis was Severe Emaciation. Ascites (fluid in abdomen). Foreign body present in the stomach and small intestines accompanied by devitalization of the intestinal wall. Acute, agonal intussusception of the small intestine. Acute multifocally extensive peritonitis. Canine Parvovirus.

Dr. Schmitz DVM PHD wrote in his report that the foreign object was large and created a serious impediment to normal bowel function. He was not able to identify the material removed from Blue but that material was saved. He added that the material could possibly be identified by a laboratory or personnel with that type of expertise. He also wrote that he was unable to determine how long Blue was afflicted by the foreign object but stated in his report that the devitalized condition of the small intestinal wall (i.e. Duodenum, Anterior Jejunum) indicated that it was a prolonged period of time. He went on to write that the presence of the foreign body would have impeded the dog's gastric function and would have contributed to the dog's weight loss and emaciated condition. Dr. Schmitz also indicated that Blue may have ingested the foreign material as a result of being "desperately hungry." Dr. Schmitz detailed in his report that the devitalization of the small intestine caused them to become more permeable and accounted for the ascetic fluid. He was able to isolate an array of intestinal microbes from within the fluid. He goes on to add that Blue suffered from intussusception of the small intestines, in other words, in a effort to expel the foreign object the dog's intestines accordioned upon themselves during the peristaltic function. He also found that Blue was infected with Canine Parvovirus but did not find the damage (necrotic enteritis) usually associated with fatal cases of the virus.

INVESTIGATION REPORT CONTINUATION

Activity Number: A15-164678

ACO Name & Badge: T. Foster #2042

02/27/15 10:54 I, Officer Foster #2042 arrived at and knocked on the front door but did not receive an answer. I then looked into the backyard and photographed the dog kennel in the back corner of the lot. I did not observe any dogs in the yard. I also observed that there was a Dodge Charger in the driveway with paper tags. I posted a notice requesting that the dog owner contact PACC.

02/28/15 10:16 I, Officer Foster #2042 arrived at St and observed that the notice I posted yesterday is still in place on the front door. I knocked but did not receive an answer. I did not post a second notice. As I was returning to the PACC truck a neighbor informed me that he thinks the residents are out of town and told me that there are usually three cars parked in front of the home.

03/02/15 08:35 PACC Dispatch Operators received a call from who was calling because she received the notice I posted. Ms. advised the dispatch employee that she is available to meet with an officer after 17:30 hours on weekdays and all day on the weekends. Ms. also stated that her only animal, a dog, had already been brought to PACC to be euthanized. This conversation took place on a recored telephone line.

03/22/15 18:55 I, Officer Foster #2042 arrived and knocked on the front door and was met by Jr. I stated the reason for my visit and asked him if was also at home and he stated that she was not. I then requested to see his driver's license and he produced it for me. I explained that I was there to issue him citations for the dog known as Blue, who was brought to PACC on 01/27/15 at approximately 12:22 hours for humane euthanasia. I also asked him if he or his family own a trampoline and he stated that they do not. Mr. Jr. then volunteered that he had placed a brown tarpaulin over the kennel enclosure at the rear of his yard to provide protection from the elements for Blue.

Per Dr. Lilley there was some material found in the dog's digestive tract that might be consistent with the tarpaulin or a similar material used on trampolines.

I then returned to the PACC truck and completed a citation for one count of Cruelty and one count of Neglect of Vet Care. I returned to the dog owners house and as I was preparing to present him with his citations Ms. returned home. When she exited the car I asked to see a copy of her ID. She complied and I explained the reason for my visit and advised her that I needed to return to the PACC truck and I would be right back. I then completed citations for one count of Cruelty and one count of Neglect of Vet Care for Ms. as well. I then returned to the residence and presented Ms. and Mr. Jr with their citations. Both parties acknowledged, signed, and accepted their copies of the citations. I then returned their licenses to them and provided them with their court date, time, and location. I thanked MS. and Mr. Jr for their time and cooperation and left the area.

03/23/15 I contacted Southern Arizona Specialty & Emergency Center and requested all treatment records for Blue under both and/or . At 16:08 hours I received documentation that Blue was seen once on 12/01/15 under the last name of The clinic did not have any additional records for additional visits. Blue was seen by Dr. S. Hall MS, DVM, who recommended blood work and abdominal radiographs. Blue's owners declined those diagnostic tests and cited lack of money as the reason for refusing them. Dr. Hall recommended that Blue receive follow up medical care if he failed to eat or vomited in the 24 hours following his initial appointment. She also recommended that Blue have blood work performed and abdominal radiographs taken if he failed to completely recover in the seven day treatment period in which he was prescribed Metronidizole and Pepcid (Famotidine). The clinic had no other records that Blue was seen or treated at that location again. Dr. Hall recorded Blue's weight as 49lbs at the time of his visit. However, PACC staff recorded his weight at 27.7lbs nearly two months later.

INVESTIGATION REPORT

Activity Number: A15-168197

ACO name & Badge:X. Delgadillo #2047

On March 19, 2015 at approximately 12:40hrs, licensing staff was advised by a Good Samaritan of a dog left in a car and was in distress.

I Officer Delgadillo #2047 went to the customer parking lot of Pima Animal Care center and observed a black and brown Chihuahua approximately 2 months old in a black sedan; the dog was in distress. The dog was wedged between the passenger door and the passenger seat. The seats in the vehicle were of a leather material and no water was available for the dog.

I and the Good Samaritan were to pull the window down a little further to unlock the door. I retrieved the dog from the car and secured the door.

Officer Rademaker #2019 and I went back to the vehicle to take photographs and obtain a current inside temperature of the vehicle. The gauge registered the inside temperature to be 120 degrees.

I then met with the dog owner Ms. I asked why she left the dog in the car and she stated that she was told the dog could not enter. I asked her why she chose to leave the dog unattended and she stated that she just made a bad decision and left the dog so her and her husband could go look for another dog for the kids.

Ms. was cited into Pima County Justice Court for the following:

Cruelty; Neglect- No water and Neglect- no ventilation for Sasha, a black and brown Chihuahua Mix.

Ms. signed her citations; received a copy and was provided her court date, time and new facility address.

INVESTIGATION REPORT

Activity Number: A15-167168

ACO name & Badge:X. Delgadillo #2047

On March 17, 2015 at approximately 17:42 hours I, Officer Delgadillo #2047, arrived to I St, in reference to neglect, dogs on tie-out.

I entered the property through the open vehicle drive through gates, honked the horn no answer. I heard dogs barking but could not see them. I exited the vehicle while walking to the front door I observed a wire kennel covered with a red cloth and a metal chair on top, I knocked on the front and received no answer.

I went to the wire kennel and observed two med-sized pit/heeler mixes in the carrier with no water and the carrier itself was too small to house the dogs. I photographed the wire kennel with dogs inside and photographed the property.

A woman then came to the door, would not give me her name, I asked her for ID and she stated to wait a minute shut the door and never returned back. A few minutes later a man drove up and he asked me what I was doing there. I began to explain the condition of the dogs and I asked him for his ID and he began using profanity in reference to the neighbors. I asked him for his ID again he stated that I needed to get off his property. I advised him that the Pima County Sheriff would be called due to his uncooperativeness, he stated "call the sheriff for my ID". I had dispatch contact PCSO and request a Deputy to respond.

At approximately 18:40 hrs. Deputy Rodriguez badge#7579 arrived and we entered the property. Deputy Rodriguez knocked on the door and Ruben exited the residence. The Deputy explained to Mr. I that the size of the carrier was not sufficient to house two dogs of their size. Deputy Rodriguez asked him how long the dogs stay in the kennel and he stated that he feeds and waters them before he leaves to work/school and then places them in the kennel. He did not specify how many hours he is away from home.

WC 6

I then went to my vehicle to write the citations and Deputy Rodriguez approached and stated that Mr. wanted to surrender the dogs. Mr. signed the release of ownership document for Ariel a female brown and white pit/heeler mix and Brownie, a brown and white Pit/heeler mix.

Mr. was cited into Pima County Justice for the following violations:

Ariel A513843: Cruelty and Neglect- No water
Brownie A513844: Cruelty and Neglect- No Water
Interference with an Officer

Mr. signed his citations; received a copy and was provided his court date and time.

Officer's Signature: 
Date: 3/19/15

INVESTIGATION REPORT

Activity Number: A15-167988

ACO name & Badge: A. Kirby #2057

On March 17, 2015 at approximately 1859 hours I Officer Kirby #2057 arrived at St. Upon arrival I located a tan male German Shepherd tied out to a stake in the middle of the front yard, I observed 3 empty pans that were upside down leaving the dog without access to water, I also did not observe any shelter in the yard.

While I was unable to locate any dogs licensed to the address in the PACC database, I was approached by a neighbor who stated he knew the owner and would try to make contact with her as she was at work. After several attempts to make contact I removed the dog from the tie out and loaded it onto my truck.

As I was preparing the notice the neighbor advised me that he had made contact with the owner and handed me his mobile phone, I spoke with the dog's owner and advised her she needed to come home immediately or I would be impounding the dog, which she stated was named Harley, for his well-being. Ms.) met me at the residence I advised her that it was illegal to tie out the dog and that the dog is required to have water and shelter at all times. I asked about licensing and rabies vaccinations and was informed by Ms. that she had gotten the dog from the humane society and that they never sent her tags and she does not have any of the paperwork from them showing proof of rabies vaccinations.

I issued Ms. citations for Neglect - Tie Out, Neglect - No Water. Neglect - No Shelter, No Rabies Vaccinations, and No License. Ms. was explained her citation and court date, time, and location, stated she understood and signed the citation.

I also provided Ms. with a copy of the laws brochure and returned Harley to her. Mr. Placed Harley inside the house at which time I left the property.

INVESTIGATION REPORT

Activity Number: A15-168672

ACO Name & Badge: T. Foster #2042

03/27/15 10:25 I, Officer Foster #2042 was driving through the 3000-3600 block of Pl when I observed a white and brown brindled American Bulldog on a tie-out in the front yard of Pl. I photographed the dog and then knocked on the front door. I was met by the dog owner, who immediately stated "Oh, I'm not supposed to tie him up am I?" I responded by agreeing with him that he was not permitted to tie up his dog. The man then advised me that he was from Cochise County and was unfamiliar with the laws in Pima County. The man told me he was helping a friend make some repairs to her home and that his dog Buddy does not get along with her dogs. I advised him that he would have to come up with a solution other than tying Buddy up.

I then requested to see a copy of Mr. s license and once he handed it to me I returned to the truck to complete a citation for one count of Neglect-Tie out. I did not issue citations for the Rabies vaccination or a dog license because the dog owner stated that he resides in Hereford AZ and has a Cochise County License for the dog at home. Even though Mr. stated he is from Cochise County, I opted to issue the tie-out citation because the dog owner seemed to be well aware of the Pima county Tie-out ban. When I arrived I had not mentioned the tie-out law and yet he appeared to know why I was there. Mr. acknowledged, signed, and accepted his copy of the citation. I provided him with his court date, time, location, and returned his License to him.

INVESTIGATION REPORT

Activity Number: A15-168837

ACO Name & Badge: K. WALTON #1925

On March 30th 2015th at 0825 hours, I, Officer K. Walton #1925, met with Deputy Calkins #4982 at ld regarding 2 Pit bulls fighting and that were now injured. Both of the dogs reside at this address, along with a tan Chihuahua who appeared slightly injured as well.

I entered the back yard and observed 2 brn/wht Pit bulls bloody and injured. They had puncture wounds and other severe injuries. I impounded all 3 dogs while the Deputy tried to reach the owner. The next door neighbor stated the dogs fight quite often. The Chihuahua was attacked approximately 1 month ago from one of the dogs, and that's whats wrong with it's leg. I took photos of the dogs and of the property.

The Deputy was able to contact the owner and we both explained the incident. She stated the Chihuahua known as Squishy and the brn/wht Pit bull known as Blue belonged to her mother, and the other brn/wht Pit bull known as Zues belongs to her. Her mother moved to a place and could not have the dogs there, so took the dogs to her place and cared for the dogs. The dogs are not licensed or vaccinated, and she did confirm the Chihuahua was injured and did not seek medical care. The dogs have been in her care and custody for over 1 month. I advised her she could come home and take the dogs to the vet, and she stated she just got to work and could not leave. I advised her that the dogs would be transported to Pima Animal Care and she would need to come to our facility to meet with Enforcement and Shelter.

The owner arrived at Pima Animal Care and spoke with Supervisor Konst and he explained the situation. She stated to Supervisor Konst that the Chihuahua's injury happened at the beginning of March at a cookout where she believes the dog Blue stepped on the Chihuahua. They went and spoke with Licensing and received the quotes for the dogs. I Officer Walton met with the owner and issued her a citation for neglect vet care on the Chihuahua. She was given her court time, location and a copy of her citation. A copy of her drivers license was made for identification. She then stated the dog Blue actually belongs to one of her brothers and he is aware of the dogs injuries and will be signing the dog over to Pima Animal Care.

We went into the Shelter so she could see her dog Zeus. Afterwards she was taken up to licensing where a staff member called her brother, and the dog Blue was signed over by phone. She will try to make contact with her mother about the Chihuahua, and is aware that she is still responsible for the dog.

INVESTIGATION REPORT

Activity Number: A15-167115

ACO Name & Badge: T. Foster #2042

03/05/15 12:08 I, Officer Foster 2042 arrived and was unable to approach the front door due to locked perimeter gates. I performed a database search and located a person ID for a [redacted] and attempted to call the number of record. While I waited for an answer I observed a black and white Siberian Husky at the back of the property that appeared to be on a tie-out. I photographed the dog and was preparing to post a notice when a young man exited the residence and approached the gate. I asked the man if he was over the age of 18 and he stated that he was. I asked the young man if the dog I observed was on a tie-out and he stated that the dog known as Onyx was in fact on a tie-out. I then requested a copy of his ID and and informed him that Tie-outs are illegal in Pima County. The young man brought me his ID and I could see that he turned 19 in Jan of 2015. The young man then advised me that his step father was on his way home to speak with me. I thanked him, returned his Identification card, and waited for the dog owner to arrive home inside the Pima Animal Care Center truck. While I waited I prepared the citations for no license, no rabies vaccination, and neglect-tie-out.

When Mr. [redacted] arrived I requested to see his drivers license. He complied and stated that he needed to see proof of who I was and advised me that he already has a case number for Pima County Sheriff's Office and is working with Deputy Judd. I informed the man that I was not at his residence in reference to the neighbor dispute he was speaking about and advised him I was responding to an anonymous complaint about his dogs getting loose and running the neighborhood. Mr. [redacted] was initially very angry and tried to argue with me why he was with in his rights to tie up his dog. He asked me why retail pet stores sell tie-out equipment if they are illegal, and why he can't protect his dog by using a tie-out. I advised him that in Pima County tie-outs are illegal and as such the use of one is considered neglect. I then presented the citations to Mr. Arsenault who stated that he would not sign them and that I could post it on the gate but that I was not allowed on his private property. I then requested a Sheriff's Deputy be dispatched to my location via my hand-held radio for noncompliance. Moments later Mr. [redacted] agreed to sign his tickets and I provided him with a copy of the citations, his license, court date, time, and location. Mr. [redacted] then apologized to me for his aggressive reaction to my presence and shook my hand. I thanked him for the apology and left the area.

INVESTIGATION REPORT

Activity Number: A14-147870

ACO name & Badge: Harrington #1959

I, Officer Harrington #1959, arrived at around 18:25 hours and met with Marana Police Department Officer Jordan #392 (case #1405-0750). Officer Jordan was responding to an assult charge at Sky. Officer Jordan determined through several witnesses that a white poodle from was loose and bit 11 year old when he was attempting to take the dog back to it's home. He was bit on the left thigh and buttocks area. The victim was outside playing with friends when this occured. I met with the victims father, and his son Jeremy. I photographed a puncture wound on Jeremy's left thigh.

Officer Jordan and I then went over to and met with the dog owner, denied that her dog was loose even after we told her that we had several witnesses. Ms. Wycoff refused to show us the white poodle, Ziggy, or the dogs shot records. I explained that the dog needed to be quarantined. refused to cooperate with the quarantine of her dog. I returned to my truck to write citations. I issued citations for Leash Law and Biting Animal on behalf of the victim and his parents. I also issued off citations for No License, No Rabies Vaccination and Inteference with an Officer for failing to cooperate with me.

I went back to the and met with She signed and received her copy of the citation and was told of her court date. I explained that a Pima Animal Care Center Officer would return within the next few days to discuss the quarantine for Ziggy. stated she would get Ziggy's shot records from Acoma Animal Clinic and have them for the officer when they come back.

On 5/22/14 around 18:20 hours I arrived at to meet with abour the quarantine for Ziggy. I was able to get rabies vaccine information for Ziggy after contacting Acoma Animal Clinic. Ziggy was vaccinated on 1-3-14. I knocked and received no answer. I posted a notice for to call.

On 5/23/14 around 10:10 hours called into dispatch and stated she

DD #1

would be available after 12:00 hours on 5/24/14.

On 5/24/14 I called to see if she would be available. I received no answer and left a message. Around 14:23 hours I arrived at to meet with about Ziggy's quarantine. I knocked and received no answer.

The quarantine release date for Ziggy expired on 5/29/14. After several attempts to reach the owner both by phone and arriving at her address, failed to comply with the quarantine of Ziggy.

INVESTIGATION REPORT

Activity Number: A15-164477

ACO name & Badge: D. Hinte 2068

On January 23, 2015 at 2:06 PM, Pima Animal Care Center (PACC) dispatch received a report of a dog bite. The victim was bitten by 1 of 2 dogs after he dropped his daughter off at a day care, which is down the street from him. The dogs came from the house across the street, and were still at large. The victim said he had to go to work but would return to meet with an Officer.

On January 23, 2015 at 2:55 PM, Officer Rademaker 2019 and I, Officer Hinte 2068, arrived at to meet with bite victim I stated that he had taken his daughter to daycare down the street at . While trying to get into his truck, two chihuahuas approached barking. As he stepped into his truck, one of the dogs bit the back of his leg. He stated that he believed the dogs lived across the street at Ave because that is where they ran to immediately following the incident. showed us the wound and allowed us to photograph it. requested third party citations be issued, but declined any restitution at this time.

We went to to meet with the dog owner. answered the door and confirmed that she does own two chichuahuas. accompanied us to view the chihuahuas and identify the biter. He stated that the male tan chihuahua, Copper A508223, was the one that bit him. We informed that Copper would need to be quarantined and inquired about rabies vaccinations and licenses for both dogs. She stated that neither dog was licensed. She was able to provide paperwork from HSSA for Copper stating that he was current until 5/15/15. She stated that the female white chihuahua, Harley A508224, had received vaccinations on the same day but she did not have the paperwork. We called HSSA and spoke to the clinic operator who was able to confirm Harley's current rabies vaccination through 5/15/15. We informed that due to the dogs' ability to escape the yard, we could not approve a home quarantine. We explained that we would be impounding Copper and placing him under quarantine at PACC for ten days (2/01/15). We also informed her of the ordinances she was in violation of and that we would be issuing citations.

DI 2

We issued citations in Marana for 2x leash law, 1x biting animal, and 2x no license. We explained her court date, time, and location. She stated she understood, signed, and received her copy. We explained the quarantine agreement and she stated that she would redeem the dog. She signed the quarantine agreement, received her copy, and assisted in impounding Copper.

INVESTIGATION REPORT

Activity Number: A15-168691

ACO name & Badge: Klein 1926

On March 15, 2015 the Pima County Animal Care Center (PACC) received a call from the Tucson Police Department (TPD) requesting assistance regarding an aggressive dog that was at large. It was reported that the dog had attacked a neighbor's cat.

PACC Officer Tovar responded to the residence and met with TPD Officer Utter. Officer Utter stated that the dog owner was able to put their dog, named Romeo inside of their house and secure their gate. The neighbor reported that Romeo had attacked their cat, named Sissy while it was at large.

Officer Tovar met with the cat owner who stated they witnessed the neighbor's dog, Romeo attacking their cat. Romeo was in the cat owners' yard at the time of the attack. They saw Romeo run off with their cat still in his mouth. They added that Romeo is out of his yard often.

TPD Officer Utter issued citations to the dog owner for the leash law violation, biting animal, no license and no rabies vaccination.

On March 27, 2015 I, PACC Investigator Klein was assigned the dangerous dog assessment on the dog known as Romeo.

I met with the cat owner who stated they saw Romeo attack their cat, Sissy. They said Romeo ran off with Sissy still in his mouth, leaving only Sissy's tail behind. Romeo's owner got Romeo out of the street and put him back inside of their house.

They stated that Romeo had charged at them when they opened their front door before grabbing Sissy. Sissy was later found deceased in their carport. She had multiple injuries and was covered in blood. Sissy's owner stated Romeo is often at large and is very aggressive. They have not seen Romeo since the incident.

I then met with Romeo's owners and explained that due to the incident with the neighbor's cat Romeo is deemed dangerous. I served them the declaration of dangerous and order of compliance.

D13

I provided them with their copies of each form and explained that all of the requirements would need to be completed no later than April 26, 2015.

On March 31, 2015 I received a message from Romeo's owner stating they were going to relinquish ownership of Romeo. They stated they went to court regarding the citations issued and have realized it will be too much to complete the order of compliance and the judge's orders.

COMPLAINT # A15-1681691
OFFICER # 1926 KYLE
DATE: 3-28-15

DECLARATION OF DANGEROUS / VICIOUS ANIMAL

YOUR ANIMAL HAS BEEN DECLARED TO BE A DANGEROUS ANIMAL FOR THE FOLLOWING REASON(S):

_____ An animal can be declared a dangerous animal if it, without provocation, bites or otherwise causes injury to a person which results in significant medical intervention/treatment.

* An animal can be deemed dangerous if it, without provocation, kills or severely injures a domestic animal.

_____ An animal declared vicious by a magistrate shall be automatically deemed dangerous.

OFFICER COMMENTS:

ON MARCH 15, 2015 THE AMERICAN BULLDOG MIX KNOWN AS RAMEO, OWNED BY MR. AND MRS. NAVA WAS AT LARGE WHEN HE ATTACKED A NEIGHBORS CAT. THE CAT DIED DUE TO INJURIES FROM THE ATTACK. DUE TO THIS INCIDENT RAMEO IS DECLARED DANGEROUS.

INVESTIGATION REPORT

Activity Number: A14-144720

ACO name & Badge: Carver #1901

On 05/07/14 at approximately 0900 hours Officer Konst badge #2002 was dispatched to to investigate a leash law complaint. He received no answer at the front door. Officer Konst could hear dogs in the back yards but they were not coming to the fence line. He then walked to the side of the house in the driveway area where he observed four dogs on tie-outs in a fenced back yard. Two of the dogs were tangled and unable to reach any water and two of them had no shelter. There were four buckets of water, but nothing to stop the buckets from being tipped over if caught on cable or hit. Officer Konst photographed the area and asked for Pima Animal Care (PACC) Dispatch to attempt to call the complainant to possibly get a name or telephone number of the dogs owner. There was no record of a current license or recent owner listed in the PACC records. Dispatch tried a phone number for a dog owner listed at the address but it was disconnected. Officer Konst photographed all of the dogs and impounded all four dogs and posted a notice of impound on the front door.

He observed the following violations, A female Rottweiler, had no accessible water due to her tie-out being tangled around a pole in the northwest corner of the yard and she also had no shelter. A female Terrier mix in the northeast corner of the yard had no shelter. Another female Terrier mix was tangled on a porch post on the northeast side of the porch and had no accessible water, the water that was intended for this dog did not appear to be potable as it was bright yellow color. A Border Collie mix was on the northwest corner of the porch on a tie-out with the other porch post to get tangled on. Officer Konst requested citations be issued to the dog owner.

On 5/7/2014 I, Officer J. Carver #1901, met with Myrna June Gilbert when she came into the Pima Animal Care Center, she identified the 4 dogs impounded by Officer Konst as being her dogs. She provided her Arizona Drivers License for identification. She provided me with all of the dog's names and I issued the citations for the violations as observed by Officer Konst at the time of impound. Ms Gilbert stated that they would be taking 3 of the 4 dogs to live at her mother's home at . The 3rd one would be kept in the home in a large wire crate while she is at work and then out on leash with her.

Officer's Signature: 1901 **Date:** 5/8/14

INVESTIGATION REPORT

Activity Number: A15-166799

ACO name & Badge: J RADEMAKER 2019

On February 27, 2015 at 2:51PM I. Officer Rademaker 2019, responded to an assist Sheriff call at and met PCSO Deputy Sewell 7839 re: case # 150227151. The Deputy informed me that had been bitten by a pitbull dog from that residence.

I met with who said she was walking by the residence at when a large brown dog had run along the fenceline inside that property barking at her and then it jumped the fence and bit here on the sholder knocking her to the ground. She said she screamed and the dog broke off its attack. I photographed her injury and informed her of her rights to citations for the dogs owner. She requested citations be issued on her behalf for leash law and biting animal violations and that a dangerous dog evaluation be conducted and the court order restitution for medical expenses she may incur.

I met owner who had his brown/red pitbull dog Kobe A511975 confined. I inquired as to rabies vaccination and license status of Kobe and he said the dog had neither. I inquired about other dogs at the residence and he said there were 3 and none were vaccinated nor licensed. I explained the 10 day quarantine required and said he understood and put the dog Kobe into my vehicle for quarantine at PACC. I explained the leash law and biting animal violations as well as the license and vaccination violations. I issued him citations on behalf of the victim for the leash law and biting animal violations for Kobe and also no license and no rabies vaccination citations for all 4 dogs. I explained court and compliance and he said he understood. I signed the Animal Quarantined at PACC form and plans to redeem the dog

Officer's Signature: J Rademaker 2019 **Date:** 2/27/15

INVESTIGATION REPORT

Activity Number: A15-167244

ACO name & Badge: J RADEMAKER 2019

On March 5, 2015 at 5:34PM I, Officer Rademaker 2019, went to and met with complainant and her 15 year old son They said that at about 4:00PM today , had gone to the goat pen on their property and found 2 dogs in the pen attacking the 3 goats there. He entered the pen and a brown pitbull dog with black spots ran past him attempting to bite him. The other dog, a gray and white female Siberian Husky A512768, stayed in the pen and was not human aggressive. The dog did have blood on its fur. Two of the three goats died from the attack. The goats were part of FFA project and were to be exhibited at the Pima County Fair.

said that they believe the Husky may belong to someone named , who is somehow associated with the thrift store at They described him as a , with a scraggly gray beard. said that they want leash law and biting animal citations issued on their behalf and dangerous dog evaluations and court ordered restitution if we can find the owner and the other dog. I impounded the Husky.

On March 6, 2015 Supervisor Konst met with who claimed ownership of the impounded Husky involved in the attack on the goats. stated he believed the other dog involved belonged to his neighbor at . Supervisor Konst explained to that the owner of the goats requested that the dog owners be issued third party citations. It was also explained to him that the dog would automatically be declared dangerous. He was given a dangerous dog pamphlet to explain the process. stated that his Husky named Ayna digs out under the fence and runs with the neighbors dog. The dog was missed in the late afternoon of 03/05/15 so they came into PACC to see if Ayva was here. Supervisor Konst issued third party citations to for leash law and three counts of biting animal. He was given a court date of 04/08/15 in PCJC.

On March 7, 2015 at 6:11PM I went to , a property that has 2 residences. I with at the south residence.He told me his sister, lives at the north residence and has 3 dogs. PACC records show one dog licensed to there, a black brindle pitbull.No one was home. I was able to photograph the 3 dogs overthe fence.

DR 6

I went to [redacted] and met [redacted] and his roommate [redacted] owns the brown brindle pitbull Yoshi. I photographed Yoshi.

I went to [redacted]ve and met with complainant [redacted] and son [redacted] looked at the photos I had taken of the 4 dogs and identified the dog Yoshi as being the dog that was in the goat pen along with the Husky that I impounded on 03/05/15. I returned to [redacted] and took Yoshi onto my vehicle and took him to [redacted] so [redacted] could see him in person. [redacted] positively identified Yoshi as the dog that killed his goats.

I returned to [redacted] and informed [redacted] that Yoshi was impounded for a dangerous dog evaluation. [redacted] was not able to provide documentation of rabies vaccination and PACC records did not show any information for the dog. I issued citations to [redacted] on behalf of the complainant for the leash law violation and 3 biting animal violations for the March 5, 2015 attack on the goats and also citations for no license and no rabies vaccination. I explained court and he said he understood. I told him he wuold be hearing from an Investigator regarding the dangerous dog evaluation.

Officer's Signature: [redacted] **Date:** 3/7/15

OFFICER # 1442 Eckelbarger
DATE: 3-15-15

DECLARATION OF DANGEROUS / VICIOUS ANIMAL

YOUR ANIMAL HAS BEEN DECLARED TO BE A DANGEROUS ANIMAL FOR THE FOLLOWING REASON(S):

_____ An animal can be declared a dangerous animal if it, without provocation, bites or otherwise causes injury to a person which results in significant medical intervention/treatment.

X An animal can be deemed dangerous if it, without provocation, kills or severely injures a domestic animal.

_____ An animal declared vicious by a magistrate shall be automatically deemed dangerous.

OFFICER COMMENTS:

The dog "Yoshi" is declared dangerous at this time as a result of attacking three goats while in violation of the leash law. Two of the three goats were killed during the attack.

OWNER: Bobby Roubal
ADDRESS:
PHONE:

ANIMAL NAME: Yoshi
ANIMAL ID#: A512966
SEX: M COLOR ~~Brindle~~ BREED: Pitbull Mix

NOTICE

YOUR ANIMAL HAS BEEN DECLARED TO BE DANGEROUS PURSUANT TO LOCAL JURISDICTION'S ORDINANCE / CODE .

If the dog has not been declared vicious by a court, you may appeal the declaration of dangerous. You have (5) days if cited in Pima County, Marana, Sahuarita or South Tucson; OR 10 days, if cited in Tucson; to appeal the declaration of dangerous by filing a request for a dangerous dog hearing. You may obtain the request form at PACC IN PERSON.

Per the county attorney:
We finally obtained a copy of the justice court order that although it was signed by the judge on January 12th, it wasn't scanned into the system until January 23rd and was never sent to Mr. Westfall. Because Mr. Westfall never received a copy of the order, there was no way for him to know about or calculate the appeal deadline, so in an abundance of caution, our office is mailing a copy of the scanned order to Mr. Westfall today and are calendaring an additional 14 days for him to appeal the order. So, please don't take any further action regarding Sativa until we get back to you.

1914
12/17/2014 ENFORCEM JCHAVEZ 12/17/14 17:42

03/31/2015 ENFORCEM KWALTON 3/31/15 13:51

3-31-15 Upon arrival I met with the victim Kathy Wilson and observed the wound on left leg, it does appear to be a bite and possible scratch from tooth. I had to take some pics on my cell phone due to my card in camera not working.

She said she drove up to the house and was careful because she saw the dogs out and didnt want to hit them. She got out and the dogs were around her barking, so she moved slowly to get away from them and the black/white dog came up and did something to her on her left leg. She was not sure if it was a bite or scratch from the tooth. I advised her either way it broke the skin and if she was unsure we had to claim it as a bite. She said the dog looked like a Jack Russell type dog. She will not pursue prosecution at this time, but will change her mind if she sees the dogs out again. I advised her of the quarantine procedures and gave her my card with both case numbers on it and advised her of the end of quarantine time.

I went over to the house and got no response. There is a sign in yard that says for rent : JR LEIGH REALITY MICHAEL VO 520-247-4567. I heard and observed all 3 dogs in the back yard barking and charging at the wall. The west side gate was blocked underneath with wood that was not real secure. I finally got my camera to work so photos were taken. As I was at the front door, all 3 dogs came running up barking at me. I followed them back around to the east side, and was able to take photos. At the east side gate the dogs went back under and back into the yard. There were 2 big rolled logs that were suppose to block the hole, but they were not against the gate. I entered yard and and blocked the gate as I tried to apprhend the dogs. After 10 minutes or so, all 3 dogs were impounded. I took photos of the back yard. They had shade from a covered porch, but no adequate shelter. They had a container of clean water and a empty pan for food. There was a table on the patio/porch and some waste in the yard.There were some belongings inside the house from what little I can see and a kids bike in yard. I left 2 notices on the front door, one for the bite call and one for a leash law call we received on 3-25-15. I went back and spoke with victim of the results and she was very happy, but left before I could get a photo of her wound on my camera. She also took a photo when the bite happend. If owner tries to redeem please issue cites for leash law on all 3 dogs per 1925. Cont..

PIMA COUNTY
ANIMAL CARE

General Communication Policy

We want your volunteer experience to be fun and rewarding. If you have a concern, complaint, suggestion or question, please notify PACC leadership in the ways outlined below.

Please understand that not all concerns, complaints, suggestions or questions, can be addressed immediately. We strive to have replies within seven business days. If you have not received a verbal or written response to your inquiry within that period, please contact the Chief of Operations.

PACC takes the input and concerns of our staff and volunteers very seriously. Please come to us with any issue. Please also understand that while we are always open to implementing positive changes, there are some suggestions we may not be able to integrate into our policies and procedures due to County policy, legal restrictions, or budgetary constraints.

For immediate emergency concerns about animal health and safety, please notify the Shelter Manager or the Chief of Operations.

To discuss a particular concern about an issue with another staff member, volunteer, or an animal, please contact XX. PACC leadership will work to examine the matter and respond appropriately.

Concerns, suggestions, and questions about PACC policy and procedures can be submitted through our online communications form or through the hard copy of the form found in the coordinator's office. PACC leadership will review the topics and will either contact the submitter directly or address concerns, suggestions, or questions at the Volunteer Forum.

DRAFT

Volunteer Agreement and Code of Conduct

We are thrilled to have you join us as a volunteer at the Pima Animal Care Center. Our volunteers are integral to our mission of providing timely service to residents and compassionate care to animals while working to support public safety, finding homes for homeless animals, and educating the community about responsible pet ownership. It is a privilege to volunteer at PACC, and one we hope you will enjoy.

PACC volunteers are held to the highest industry standards. Before you begin as a volunteer, you must read the following and initial to state you understand all of your responsibilities as a volunteer. Failure to abide by this agreement and code of conduct is grounds for disciplinary action, up to and including, dismissal from PACC's volunteer corps.

Professional Expectations.
As a PACC volunteer, I AGREE TO:

- Support the mission, vision, goals, efforts, and official positions of the Pima Animal Care Center.
- Treat all animals with kindness.
- Promote goodwill by handling my responsibilities and contacts with staff, other volunteers, customers and visitors in a spirit of courtesy and cooperation.
- Follow the most current communication plan for reporting concerns with policies, practices or procedures.
- Refrain from posting anything derogatory about PACC on all social media sites, including personal social media accounts.
- Observe all policies and directives from Pima County Animal Care Center.

INITIAL HERE to confirm that you have read and understand Professional Expectations: _____

Safety/Security/Confidentiality
As a PACC volunteer, I AGREE TO:

DRAFT

- Report to my volunteer job physically and mentally fit for duty.
- Observe all safety and security rules.
- Report accidents, injuries, fire, theft, or other unusual incidents immediately after the occurrence or discovery.
- Refrain from using PACC property, services or supplies for personal reasons unless given prior permission by the appropriate staff member.
- Deal fairly with all PACC colleagues, co-workers, supervisors, customers, visitors, volunteers, etc., without regard to their gender, race, ethnicity, religion, creed, age, sexual orientation, marital status, national origin, ancestry, citizenship, military status, veteran status, handicap or disability.
- Contact the Volunteer Coordinator, or another appropriate supervisor, immediately if I feel discriminated against or harassed in connection with my volunteering.
- Hold harmless the Pima Animal Care Center, its agents, employees, directors, and insurance carriers from any and all claims, damages, and judgments which I may have now or in the future against the Pima Animal Care Center in all matters pertaining to my services as an agency volunteer, including, but not limited to, personal injury.

INITIAL HERE to confirm that you have read and understand Safety/Securtity/Confidentiality expectations: _____

Working with Pima County Inmates:

As a PACC volunteer, I AGREE TO:

- Recognize that PACC volunteers and staff work in close proximity to inmates from the Pima County Jail in the day-to-day operation of PACC.
- Understand that under Arizona Revised Statutes, inmates have a very different existence and rules of conduct than an ordinary citizen.
- Not engage in conversation or any other type of activity with inmates, other than the courtesy of hello.
- Not give, take, or in any manner barter with, inmates, i.e. supply any goods, including food and soft drinks or monies. Said act is unlawful and constitutes a felony for which I can be prosecuted.
- Not handle any mail, notes, packages or verbal messages for any inmate.
- Not ask inmates to assist me in any way unless in an emergency situation where my personal safety may be in jeopardy.
- Report to PACC staff immediately if an inmate approaches me on any matter other than outlined in this memo.

INITIAL HERE to confirm that you have read and understand Working with Pima County Inmates expectations: _____

Confidentiality/Conflict of Interest

As a PACC volunteer, I AGREE TO:

DRAFT

- Maintain and safeguard the confidentiality of all business, donor, employee, volunteer and animal records, credit and financial information, and/or any information relating to the operation of the agency that is not known or readily available to the general public.
- Refrain from posting anything about business, donor, employee, volunteer and animal records, credit and financial information, and/or any information relating to the operation of PACC that is not known or readily available to the general public on social media sites, including my personal Facebook page.
- Avoid engaging in any conduct that is or could be perceived as a conflict of interest.

INITIAL HERE to confirm that you have read and understand Confidentiality/Conflict of Interest expectations: _____

Community Relations

As a PACC volunteer, I AGREE TO:

- Correct, when possible, misleading or inaccurate information and representation made by others concerning PACC policies, practices and procedures.
- Serve as agency representative/spokesperson in the community or to the media only when authorized to do so by the Administrative or Volunteer Departments.
- Allow the agency to use and reproduce my name, voice and/or likeness or that of my pet(s) in connection with any advertising, programming, and/or promotion of the agency in media as needed.
- Abide by the social media policy, including, but not limited to, posting derogatory comments about PACC on any social media sites.
- Refrain from any political activity while performing responsibilities as a volunteer for Pima Animal Care Center. I will not use any Pima County resources for the purpose of influencing the outcome of an election.

INITIAL HERE to confirm that you have read and understand Community Relations expectations: _____

By initialing all sections, checking the I agree button, and submitting this application, I agree to abide by the policies and procedures of the Pima Animal Care Center during my time as a member of the volunteer team, conforming to all rules and regulations commonly applied to employees of the agency, including but not limited to, safety, discrimination, harassment, confidentiality and Position Statements.

I agree that if I do not adhere to any item listed in the agreement it may result in disciplinary action, up to and including dismissal. In most cases, failure to adhere to

DRAFT

items listed in the agreement will be addressed in three phases: verbal discussion, written warning, and finally, dismissal. In egregious cases of harassment, animal endangerment, or violation of social media policy, dismissal may be immediate and is at the discretion of the PACC administration.

DRAFT

PIMA COUNTY
ANIMAL CARE

Social Media Policy

Social media is an everyday part of our lives, both as individuals and as businesses. For organizations such as PACC, social networking can be a double-edged sword. The ability to connect with potential partners and meet our goals of finding homes for homeless animals and educating the community about responsible pet ownership has never been greater, and social media can help.

However, an employee or volunteer can disrupt PACC's mission with a social media post that is misunderstood by the public; contains inappropriate, derogatory, harassing, or misleading material; or inadvertently reveals something that is proprietary to PACC and the County, is confidential, or violates the privacy of other employees or volunteers.

It is critical that staff and volunteers always remember that we represent a County agency. Our role in the community, including in a "virtual" community such as social media, is to build trust and confidence in County government and to support PACC's mission of providing compassionate care to animals, while working to support public safety, find homes for homeless animals, and educate the community about responsible pet ownership.

Therefore, all PACC employees and volunteers must agree to abide by the following social media policy rules. This policy applies to all **volunteers, employees, contractors, foster parents and PACC business partners,** hereafter referred to as "PACC associates," and applies to both professional and personal use of social media platforms.

This policy is designed to protect individuals and PACC; ensure that any references to PACC are factually correct and do not breach confidentiality requirements; and ensure that all PACC associates are treated with respect.

Failure to follow this policy will result in disciplinary action, up to and including, dismissal from employment or the PACC volunteer corps.

- Social media is defined as websites and applications that enable users to create and share content or to participate in social networking, including, but not limited to, Facebook, Twitter, LinkedIn, Pinterest, and Instagram. The definition of social media is fluid, as new websites and applications are developed daily. The final decision as to if something qualifies as social media lies with the Pima County Communications Office.

DRAFT

- Unless given permission by the Chief of Operations or her designee, PACC associates are not authorized to speak on behalf of PACC or to represent that they do on any social media site, including personal.
- PACC associates may not share information that has not been publicly released through the official PACC Facebook page or through the Pima County Website. If you have questions about whether information has been released publicly, speak with the shelter director or the Chief of Operations.
- Once information has been shared officially, all associates are encouraged to share that information throughout social media.
- In all interactions on social media, always speak respectfully about PACC; past, current or potential employees; past, current or potential customers; and past, current or potential partners. Do not engage in name calling or behavior that will negatively reflect on PACC.
- When someone online engages you with a question about PACC, please refer it to the appropriate person on the chart attached.
- Any communication between employees or volunteers that would be considered inappropriate in the workplace (i.e., sexual harassment, intimidation) is also prohibited for PACC associates in online communication, including personal social media sites.
- Questions about specific animals should not be shared on unofficial accounts or websites without first receiving permission from the PACC.
- Updates on official organization accounts are only to be made by designated users within PACC, per the attached chart.
- Social networking contact between adult and youth volunteers is forbidden.
- Any questions about the organization from the media you receive on your social networks should be directed to the Chief of Operations
- Do not directly solicit donations to the organization through your personal social networking sites without permission from the Chief of Operations.
- Criticism about partnership companies, sponsors or benefactors of the organization is not allowed.
- During a crisis situation, updates will only be given out through Pima County's official communication channels, including PACC official social media. Posting about a crisis situation on your personal social media accounts is grounds for immediate dismissal.

By signing below, I indicate that I have read, understand and accept the Pima Animal Care Center social media policy.

DRAFT

HUMANE SOCIETY of Southern Arizona

HSSA VOLUNTEER APPLICATION

Please complete this application form if you are interested in becoming a Humane Society of Southern Arizona volunteer. Please be thorough and answer all of the questions; failure to do so will result in this application not being processed. Once you complete the form, click the submit button at the bottom.

Thank you for your interest in volunteering at our shelter, we look forward to speaking with you soon.

MISSION STATEMENT

Acting with compassion and responsible stewardship through innovative programs that serve pets and the people who love them.

WHY VOLUNTEERS ARE NEEDED

The Humane Society of Southern Arizona could not thrive without the time and talents that volunteer offer us. Many choose to work directly with animals, enhancing adoptability, while others are involved in essential agency operations beyond animal care.

VOLUNTEERS WORK IN MANY AREAS, INCLUDING:

Shelter: Cat Care, Dog Enrichment, Foster Care, Groomer/Bather, Lobby Greeter, Adoption Counselor, Phone Operator, Community relations

Education: Education Docent

Offsite: Pawsh Store at Park Place Mall, Pawsh Store at La Encantada, Petsmart (River/Thornydale), Petsmart (Irvington/I-19), Thrift Store, Pet VIP Visitation Program, Local Donation Pickups, Special Events

Administration: Data Entry/Clerical Work

Clinic: Spay/Neuter Clinic Assistant, Vaccination Clinic Assistant, Phone Operator, Greeter/Customer Service

BECOMING A VOLUNTEER

To become a volunteer, the minimum requirements are:

You must care about the welfare of animals. At our Volunteer Orientation, we will ask you to read, sign and adhere to a HSSA's "Animal Bill of Rights." This is mandatory for all Staff & volunteers.

You must be able to make at least a six-month commitment. We cannot verify volunteer hours until this six-month commitment has been met. We also ask that you try to commit to two hours a week.

You must be 15 years of age or older to volunteer on your own. Children aged 10-14 may volunteer with a volunteer parent or guardian and need additional documents before they can attend orientation. All volunteers under 18 must have parent or guardian approval.

Attend the volunteer orientation, and subsequent animal handling classes (if applicable), and submit an orientation fee of $15.00. Once you have successfully completed the volunteer application and it is approved, we will invite you to an orientation. Because we rely on donations for over half of our funding, we must charge an orientation fee of $15.00. This fee will go towards a volunteer T-shirt and name badge along with offsetting the cost of volunteer materials and insurance. This is a one-time fee; please plan to submit your orientation fee at the time you attend your first orientation class.

PLEASE NOTE If you have court-ordered community service you do NOT need to fill out this application. Court-ordered community service inquiries should be made by calling the HSSA Thrift Store at 520-327-0010 Wednesday to Sunday.

Unfortunately. the HSSA no longer participates in the school community service program. We are sorry for any inconvenience this may cause.

HSSA ANIMAL WELFARE PHILOSOPHY

HSSA Spay/Neuter Policy: To help control the unwanted pet population, HSSA will spay/neuter all canines and felines surrendered to our care unless there is a medical reason not to sterilize the animal.

HSSA Euthanasia Policy: HSSA is proud to be a leader in the national No-Kill Movement and currently maintains a 96% Live Release Rate. The decision to euthanize an animal will be made on an individual basis. Criteria for humane euthanasia may include terminal illness or serious health issues, poor temperament or behavior that may render the animal unsafe for adoption. HSSA also provides end-of-life services for the public.

* HSSA Spay/Neuter Policy: ○ I accept the Spay/Neuter Policy ○ I DO NOT accept the Spay/Neuter Policy

* HSSA Euthanasia Policy: ○ I accept the Euthanasia Policy ○ I DO NOT accept the Euthanasia Policy

EMERGENCY CONTACT INFORMATION AND LIABILITY WAIVER

LIABILITY WAIVER: I hereby agree to indemnify and hold harmless the Humane Society of Southern Arizona, Inc., it's employees, agents and Board of Directors, from any and all liability arising out of or in consequence of, or injury sustained as a result of, any activity connected with myself or my child(ren) volunteering for the Humane Society of Southern Arizona. I also agree that I will make no claims for wages or compensation for the time in which I am performing volunteer functions.

I understand that photographs and videos taken of volunteers may be used in HSSA promotional materials. Checking the "I agree" box below constitutes consent to use any future photographs or videos in which I am featured.

ANIMAL BILL OF RIGHTS

All animals in our care are our clients. Each animal that enters the protection of the HSSA will be treated with dignity and respect from loving, responsible, well-trained caregivers, during every moment it remains under our guardianship.

The animals at HSSA may have been abandoned, but they will not be abandoned by us. They have been displaced from their environment and their homes. Our commitment to them is to provide them with safety, comfort, and the best possible stay within our walls, as well as to use all available means to find each animal a responsible, devoted, and permanent home.

♦ ♦ ♦

The following animal care standards identifying our responsibility include, but are not limited to:

Care and Housing
" Fresh clean water will be available at all times.
" The appropriate quantity of palatable quality food will be provided for each animal.
" Appropriate heating and cooling will be utilized.
" A sanitary environment will be maintained to ensure disease control.
" Safe housing will be maintained through proper kennel maintenance.
" Prompt recognition of injuries and health conditions shall ensure proper medical intervention and care.
" Proven stress reduction measures will be employed, such as humane housing design, appropriate handling techniques, compatible kennel mates, exercise, cushioned place to lie, and toys.

Adoption
" Every effort will be made to place each animal into a suitable, permanent home.
" We will employ all methods available to find second-chance options for our animals, including, but not limited to:
" Foster care
" Socialization and training
" Breed placement groups
" Behavior modification training when possible
" Medical intervention for those animals who would not otherwise be adoptable
" We will also make every possible effort to ensure that each adopter will be educated on how to provide the best possible physical and emotional care for their new pet.

Handling
" Handling of all animals will be gentle, safe, secure, and in accordance with HSSA policy.

Lost / Found Animals
" Every possible effort will be made to reunite lost animals with their guardians.
" All animals will be scanned upon entry to the shelter to determine the presence of a microchip.
" Lost and found websites will be provided with accurate photos of all found animals.

Cruelty and Neglect
Although many of the animals received by HSSA are victims of cruelty or neglect, their suffering and pain will end here, either through the employment of rapid medical care, rehabilitation, or, if required, through humane euthanasia. Each of our animal clients has the right to:

" Have their abusive or neglectful situation promptly addressed, recorded and reported to the proper law enforcement authority in accordance with Law.
" Be provided with any specialty care or rehabilitation as is required to help the animal recover from the effects of abuse and neglect.
" Have the opportunity, when so designated by a court of law or investigative authority, to be placed in a new, loving, violence-free home.
" Expect that each of their human caretakers and the HSSA itself will uphold standards that meet or exceed what is required by law for the care of animals.

Medical
" Ongoing medical analysis and treatment will be administered as needed.
" Sick and injured animals will receive veterinary care as soon as possible, either in-house or at an emergency clinic.

Euthanasia
" Every animal has the right to live and the right to and die with dignity.

" Should euthanasia prove to be the only solution available for any animal, that animal will receive the undivided attention of its caretaker during the procedure. The animal will be held with the utmost compassion and the least amount of restraint required.
" Only highly trained and certified staff will be allowed to perform euthanasia.

UNDER 15 AGREEMENT

Due to the unique challenges of handling shelter animals, children under 15 years of age may volunteer as Cat Care Assistants, Dog Handlers, and Offsite Adoption Assistants together with their parent(s) or adult guardian(s) only under the following conditions:

" The parent or adult guardian must attend all trainings with the child.

" The same parent/guardian who attends trainings must be the one who accompanies the child during the volunteer shift. A parent/guardian who is not trained in our animal handling protocol will not be able to properly guide or supervise the child.

" The parent/guardian must be present during the entire volunteer shift. Any child under the age of 15 who is dropped off or left unaccompanied by the parent/guardian, will not be allowed to perform any volunteer duties that day.

" The parent/guardian and child must work as a team and perform each task together (e.g., the two will walk a single dog or will collaborate on cleaning out one particular cat cage). Only volunteers 15 years old or older are considered animal handlers and allowed to work with the shelter animals on their own. Volunteers under the age of 15 will not be allowed to walk dogs or to enter the individual dog kennels at any time, nor will they be allowed to handle cats/kittens. Children must be under the direct supervision of an adult at all times. It is unacceptable for the child to be in the dog kennels for instance, while the adult/guardian is in the cat adoptions room.

" The lost/stray animal holding areas (both cat and dog) are off-limits to children under 15 years of age.

" When the underage volunteer turns 15 years old, he or she will contact the Volunteer Coordinator for an evaluation of animal handling abilities prior to being allowed to handle the shelter animals.

* Under 15 Agreement: ○ I agree ○ I DO NOT agree ○ Non Applicable

FOSTER CARE PROFILE - GENERAL INFORMATION

PLEASE SKIP THE FOSTER CARE SECTIONS IF YOU ARE NOT PLANNING ON BECOMING A FOSTER VOLUNTEER.

If you are interested in fostering, please provide the following information to the best of your ability.

Complaints and Commendations for the Month of March 2015

3-14-15 dated letter
Commendation
Letter to Dr. García commending Jennifer Neustadter for her assistance getting a dog to family after dog's owner passed away.

3-12-15 This complaint came through City of Tucson Ward 5 Office
Complaint
Excessive feces in specific yard
Course/Action
Officer went to address, no feces or pets on property. Complainant probably gave wrong address.

3-16-15 Call into PACC Chief of External Affairs Office
Complaint
Employee rude / mean over the phone
Course/Action
Complaint discussed with employee, who is not known for being rude / mean.

3/14/15

Dear Mr. Francisco Garcia,

It has been 4 months since my brother [redacted] passed away & went home to our Lord, and you took his faithful friend, Scruffy, & kept him until the family could be notified.

One of your workers, Jennifer Neustadter took care of him & went well out of her way to get Scruffy home to us. We were complete strangers yet she did so much extra for us & expected nothing in return.

In our time of grief, I wanted you to know how special Jennifer is & to love animals like that & to reach out to us & comfort us. She didnt have to do all the extra things, but she did. She also made me a scrapbook of Scruffy's travels & his time with you. How thoughtful!

There aren't enough words to tell you how much her kindness & all of your work has meant to me.

With all my heart I thank you.
This donation is in loving memory
of my brother & in honor of
Jennifer to help the next one!

Sincerely,
Your friend in Christ

Thank you for the generous donation in memory of your brother. Scruffy was lucky to have been reunited with a loving family after the death of his owner. PACC is committed to improving the well being of pets and people in Pima county. We are thankful to be of service. Frances

Subject: Dog situation at 1005 E. 24th Street

Kim and Michael:

It had been reported to the Ward 5 Council office of a situation involving dogs, and dog feces at the house located at

The Ward 5 office was told that there were excessive piles of dog feces in the yard at the house in question.

Thank you for your consideration of this and please update the Ward office on action taken.

To: Robert Hendrix; Jose Chavez
Subject: Complaint Call

A lady called me with a complaint. She said she found a dog in traffic got in in her car and called PACC, but PACC wasn't open yet and she spoke to Randi. The caller (She didn't leave her name or number.) said Randi was one of the rudest, meanest people she has spoken with and the caller said she was afraid people with animals might dump them rather than deal with such rudeness. I don't know what happened with the dog.
