Re: **Annual Hunt and Convention 2015**

Attached is information obtained from the Internet regarding an Annual Hunt and Convention for Predator Masters 2015. Apparently, this is a predator hunt that will be occurring in the Tucson area in the near future.

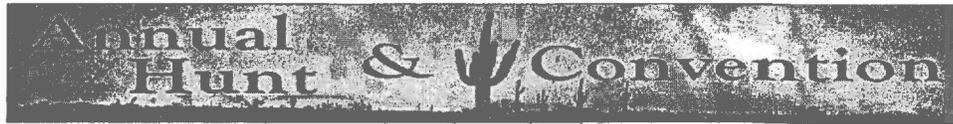

There appears to be some orientation with the Arizona Game and Fish Department (AZGFD) scheduled. Please determine from them what is occurring and where. Also, please ensure there are no activities within any of the County's natural open space parks and that AZGFD clearly understands the County is opposed to these activities on County-owned public lands, mountain parks and/or ranch lands conserved by the County.

Please gather additional information as soon as possible so the Sheriff's Department can be alerted to these scheduled activities.
