It also describes your rights to access and control your protected health information.

“Protected Health Information” (PHI) means information about you (including demographic information), that may identify you and pertains to your past, present or future physical or mental health or condition and related health care services. Pima County may change the terms of this notice in the future. The new notice will be effective for all PHI that Pima County maintains at that time. Pima County will provide you with any revised Notice of Privacy Practices upon request. You have the right to revoke that authorization in writing except to the extent that Pima County has taken action in reliance upon the authorization. If the authorization was obtained as a condition of obtaining coverage under the group health plan, Pima County has the right to contest a claim under the coverage or the coverage itself.
