- l. *Open Floor & Questions*

5. Arizona Corporation Commission Outreach Update

Sandi Garrick, Pima County

- Locate delays or other issues?

6. Next Meeting: July 10, 2019

Please contact Sandi Garrick with future topics and suggestions to make the Regional UCC Meeting as beneficial as possible to all participants.

7. Utility Mapping / Subsurface Utility Engineering (Ongoing Topic & Questions for Future Discussion)

- Comprehensive regional policy regarding utility mapping?
- What challenges are you facing with identification and mapping of utilities?
- Considerations and challenges for mapping of "critical infrastructure"?
- Would the benefits of digital mapping offset the costs?
- What agencies have adopted digital mapping?
- What are the challenges of adopting a utility mapping policy?
- What technologies have been utilized, and/or are available?
