PIMA COUNTY
WASTEWATER RECLAMATION

INVITES YOU TO A PUBLIC MEETING
TO DISCUSS THE

REVISED ENGINEERING DESIGN STANDARDS

TUESDAY, JANUARY 5, 2016
2:00 p.m.
Water & Energy Sustainability Center
2955 W Calle Agua Nueva
Tucson, AZ 85745

The Pima County Regional Wastewater Reclamation Department (RWRD) is considering revisions to the "Pima County Regional Wastewater Reclamation Department Engineering Design Standards 2012" and the "Pima County Regional Wastewater Reclamation Department Standard Specifications and Details for Construction 2012" These documents are currently adopted by reference at Pima County Code Section 13.16.010 and 13.16.020. RWRD is also considering proposal of a new document entitled "Pima County Regional Wastewater Reclamation Department Public Sewer Formatting Standards 2016."

RWRD will hold a public meeting at the time, date, and location identified above to allow comment on the proposed changes to the three documents.
The public meeting will be conducted by the Regional Wastewater Reclamation Department and will include a brief presentation on these requested revisions. Following the presentation, members of the public may comment on the proposed revisions.

A copy of the proposed documents are available online at RWRD's webpage, Design Standards, Specifications & Details. Alternatively, copies of the documents showing the proposed revisions are available for inspection at RWRD's offices located at 201 N. Stone, 3rd Floor, Tucson, AZ 85701.

Written comments concerning the proposed revisions to the referenced documents shall be submitted in writing no later than January 12, 2016 to RWRD_DesignManual@pima.gov. or by mailing to:
