

Arizona Advocate of the Year Award

Individual Nominee

April 8, 2016

Walden Grove High School

Walden Grove SWAT Tobacco Prevention Youth Coalition would like to recognize Felicity Gainous for her service and dedication to her peers and community. Felicity has been involved with SWAT for the past year and a half. Although Walden Grove SWAT is in the beginning stages of working towards identifying a tobacco policy agenda, Felicity has worked diligently over the past year to promote tobacco prevention education. She assists the coalition Wellness Coordinator in planning and coordination of Wellness Week events at Walden Grove.

Felicity is dedicated to gaining experience in leadership. She participated in and was an active player at the annual STAND Winter Summit 2015 and Spring Training 2016.

She is an incredible support to her peers at school and spends time assisting at sporting activities. It is in this environment that she not only demonstrates her desire to promote tobacco prevention, but also acts as a soundboard for peers concerns and questions.

Her energy makes people around her smile. She will be a huge asset to the Walden Grove SWAT going forward as they develop their goal for tobacco free environments. It is an honor to recommend Felicity Gainous as the Advocate of the Year!
